

### **Business Owner of Isleton:**

The students of Isleton School will be on parade starting at 10:30 am on Friday October 29<sup>st</sup>.

They will line up at the school and walk Main Street.

If you'd like to watch the parade and pass out candy to the kids, this is the time and place.

For the last several years, the classes have grouped together with the lead student for each class having a container for the candy to share with the whole class.

So, for people that would like to give out candy there will be eight classes – and the largest class has 30 students – it might be easiest to have them pre-bagged with enough pieces of candy ready to drop in the container.

Even if your business isn't on Main Street where the kids are parading, you can still come down and join a group of us lining the street to watch.

***These are the kids of Isleton! Come out and admire all of the fun and spooky costumes!***

**NEW COVID PROTOCOL: PLEASE WEAR A MASK TO PROMOTE STUDENT SAFETY DURING THE PARADE—THANKS!**
