Dear Yvonne,

With the start of the 118th Congress, I am proud to represent Solano and Contra Costa Counties of California's 8th Congressional District. Representing you in Congress is the honor of a lifetime. My title is "Representative," and that's exactly what I will be. My team and I are here to listen and address every need in our community, and I will always lend my voice in service to the people of California's 8th Congressional District.

As our community faces devastating winds, rain, and flooding from [the federally recognized disaster](#), I wanted to make sure you had the most up-to-date resources. If you or a loved one require immediate assistance, please dial 9-1-1.
