

Isleton Litter Mates

EARTH DAY LITTER & BEVERAGE CONTAINER PICKUP EVENT:

SATURDAY, APRIL 22, 2023

10am to 1pm

Litter creates visual pollution, is costly to the economy, leads to soil, water, and air pollution, can serve as a breeding ground for mosquitoes, creates psychological tension, and damages the potential of the town to define itself as a clean place to live, work, play, and visit.

Please join us for our fourth litter and beverage container pickup event on **Saturday, April 22, 2023, 10am to 1pm.** Meet up at China Park by 46 Main Street. The City of Isleton will provide hand-held grabbers, safety vests, work gloves, trash bags, and trash/recycle-take-away after collection.

Meet at China Park (by 46 Main St.)

If you are an individual who would like to volunteer or are a business that would like to co-sponsor these events on an ongoing basis, we would love to have you join the team! Please email isletonlittermates@gmail.com.
