

Business Owner of Isleton:

The students of Isleton School will be on parade starting at 10:30 am on
Tuesday October 31st.

They will line up at the school and walk Main Street.

If you'd like to watch the parade and pass out candy to the kids, this is the time
and place.

For the last several years, the classes have grouped together with the lead
student for each class having a container for the candy to share with the whole
class.

So, for people that would like to give out candy there will be nine classes – and
the largest class has 30 students – it is easiest to have candy pre-bagged with
enough pieces of candy ready to drop in the container.

Even if your business isn't on Main Street where the kids are parading, you can
still come down and join a group of us lining the street to watch.

THE KIDS WILL WALK AS FAR AS THE CHINESE PARK

***These are the kids of Isleton! Come out and admire all of the
fun and spooky costumes!***
